OFFICE NOTE.

Supply of furniture to the Excise officials in the Distts.

+ Sl. 20-17

LAST REFERENCE.

Letter No. 4115/403 dated 18th June/94

from the Excise Comr.

It is evident that the Treasury clerk and the Excise clerk need chairs & tables. They have been employed for Office work. These may be sanctioned for all the Distts. if no spare furniture can be made available in the Distt. Offices at a cost of Rs 570 *

2. It is quite different with the Asst Supervisors & Darogas. It would be a great mistake to let them understand that

8 Tables @ 15 = 120
8 Chairs @ 5 = 40
8 Boxes @ 10 = 80 = 240.
11 Tables @ 30 = 330
570

they are to stick to their desks.

3. They must be constantly on the move in the out-lying Taluks

4. 20 days in the month they must be out on Inspection duty. This will give them 2 or 3 days a weekly at Hd Qrs or about 10 days in a month. If longer, than 10 days at Hd Qrs. Horse allowance should be stopped.

5. For the occasional halts at Hd Qrs, they can sit at the Excise clerks' desk or some of the Camp furniture might be utilized for them. of the 20 Hd Qrs Offices

6. Have not Asst Supts been furnished heretofore with desks, chairs & boxes? If so what have been done with them? As regards these officers further information is needed.

7. This is a large item. I would suggest that tenders be invited. A considerable saving would be achieved if items are packed piece-meal & sent by train & cart to Dists. This might be included in the Tender rate per item & per Dist. They could be made out together then.

8. If item 6 be added the total sum will be about Rs 1600!

Sir,

In reply to your docket No: 20945 / G. 4748, dated 2nd June 1894, I have the honor to state, that in the Price list furnished to me in 1893, by the Superintendent, Central Jail, the price of Almirahs of (6×4×1½) feet, made of Mysore Teak wood, is shown as Rs 45. The addition of Rupees 5- has been made by me on account of the present high rate of teak wood and labor.

Sir,

In reply to para 2 of Government Proceedings No. 19849/2104, dated 16th May 1894, I have the honor to forward, herewith, copy of the marginally noted correspondence from the Deputy Commissioners of the Kolar and Tumkur districts from which it will be seen that tables & chairs are indispensable for the Excise officials.

2. In the revised Estimates submitted

1 Docket No. 1732, dated 28th May 1894, from the Deputy Commissioner, Tumkur district.
2. Letter No. 4493/12402, dated 11th/13th June 1894, from the Deputy Commissioner, Kolar district.

Submitted to Government an extra table has been included for the use of the General Assistant Supervisor, Tumkur district; and the prices of the chairs have been altered to the prevailing rates of the Mysore Teak wood Chairs. Hence the estimated cost of the Tumkur district has been raised from Rs 78 to Rs 100.

3. The dimensions proposed for the tables and boxes are noted in the margin.

Tables 2½ ft × 1½ ft with 2 drawers

Boxes 1½ ft × 1½ ft × 2½ ft

Chairs. Ordinary office chairs of Mysore Teak wood.

4. With the above explanation the Estimates are herewith resubmitted for the Sanction of Government.

His Memo No. C. 338-2 of the 22nd May 1894 about the supply of furniture to the Excise Establishment of this district.

Has the honor to State that the Excise officials for whom furniture has been applied for, are the Taddy daroga, the District Excise Clerk and the Excise Accountant. The Daroga ranks it is said with the

the Excise Assistant Supervisors and as they are provided with chairs and tables, he also expects to have a chair and table. As regards the other two officials viz the Excise Clerk and the Excise accountant, the major portion of their work consists of English correspondence and the preparation of English Statements &c, which necessitate the use of Chair and table. Further, all the officials of all the departments of the district office are, without exception, provided with chairs and tables. To preserve uniformity as also for the foregoing reason it is deemed desirable that the Excise officials also should be provided with chairs and tables. As the want of them is felt, the favor of obtaining early sanction is requested.

His letter Rd 4947 Dj 20th/459 June/95 requesting sanction to certain furniture required by certain Dy Comrs for the use of the Excise Rds of their Dists.

In reply, has the honor to enquire how the Dy Comrs manage now in all the Dists and what articles of furniture have been given to the Excise Rds. - Generally speaking there is more furniture than can be conveniently accomodated in each office now and there

is scarcely room for more.

In reply, has the honor to refer to this Office Lr. A. Nos. 57 and 258 dated 9th August 1894 and 18th March 1895 respectively and to report that the Excise establishment in this District has been provided with only four chairs and four tables which once belonged to the Census office. Sir,

With reference to your Memo No: 5433-6/273, dated 17th June 1895 forwarding copy of the Revenue Secretary's docket No: 23099/R.3368, dated 11th June 1895 enquiring what articles of furniture have been given to the Excise Establishment in this District and how the work is managed now, I have the honor to state that a small old desk was given to the Excise Clerk about 2 years ago

when

when his appointment was created temporarily. There is in fact neither a chair, table or even so much as a convenient desk for the clerk. There is a deal of correspondence both English and Canarese to be got through in the office nor could the records be secured without the required furniture: the District Daraga and Assistant Supervisor labor under the same disadvantage for want of tables and chairs.

2. I request therefore that Government may be moved to sanction the purchase of furniture alluded to in this office of No. 3494/2188, dated 29th March/95.

I have &c.
